Disclaimer: PROJECT 10X is Not a Financial Services Advisor

PROJECT 10X operates solely as a knowledge and information platform and does not provide financial services advice or hold any financial services licenses in Australia. It is important for our users and readers to understand the limitations of our platform and the nature of the information we provide.

- 1. Informational Purposes Only:** All content provided by PROJECT 10X, including articles, guides, and responses to user inquiries, is for informational purposes only. We do not offer personalized financial advice or recommendations.
- 2. Not a Substitute for Professional Advice:** The information presented on PROJECT 10X should not be considered a substitute for professional financial services advice. If you require financial guidance, it is essential to consult with a qualified and licensed financial advisor in Australia.
- 3. No Financial Services License:** PROJECT 10X does not possess a financial services license issued by any regulatory authority in Australia, such as the Australian Securities and Investments Commission (ASIC). Therefore, we are not authorized to provide financial services to individuals or businesses.
- 4. No Fiduciary Duty:** We do not owe a fiduciary duty to our users. Our content is designed to educate and inform, but we do not take on the responsibilities associated with a fiduciary relationship, such as managing investments on behalf of clients.
- 5. User Responsibility:** Individuals and businesses using information from PROJECT 10X should exercise their own judgment and perform their due diligence when making financial decisions. It is crucial to consult with licensed professionals who can provide personalized advice tailored to your specific financial circumstances.
- 6. Risks and Uncertainties:** Financial markets are subject to risks and uncertainties. PROJECT 10X cannot guarantee the accuracy, completeness, or timeliness of the information provided, and we are not liable for any losses or damages resulting from reliance on our content.
- 7. Independence:** PROJECT 10X maintains editorial independence and does not endorse any particular financial products, services, or providers. Any mention of specific products or services is purely for informational purposes and should not be construed as an endorsement.
- 8. Not a Solicitation:** Our content should not be interpreted as a solicitation or offer to buy or sell securities, invest in financial products, or engage in any financial transaction. Always seek professional advice before making investment decisions.

In summary, PROJECT 10X is not a financial services advisor, and we do not hold any financial services licenses in Australia. We provide information for educational purposes only and recommend consulting with qualified professionals for personalized financial guidance. Users are responsible for their own financial decisions and should be aware of the inherent risks in financial markets.
